*Phantastic!*

**PROPER VASTU**

On a camping ground somewhere in Germany.

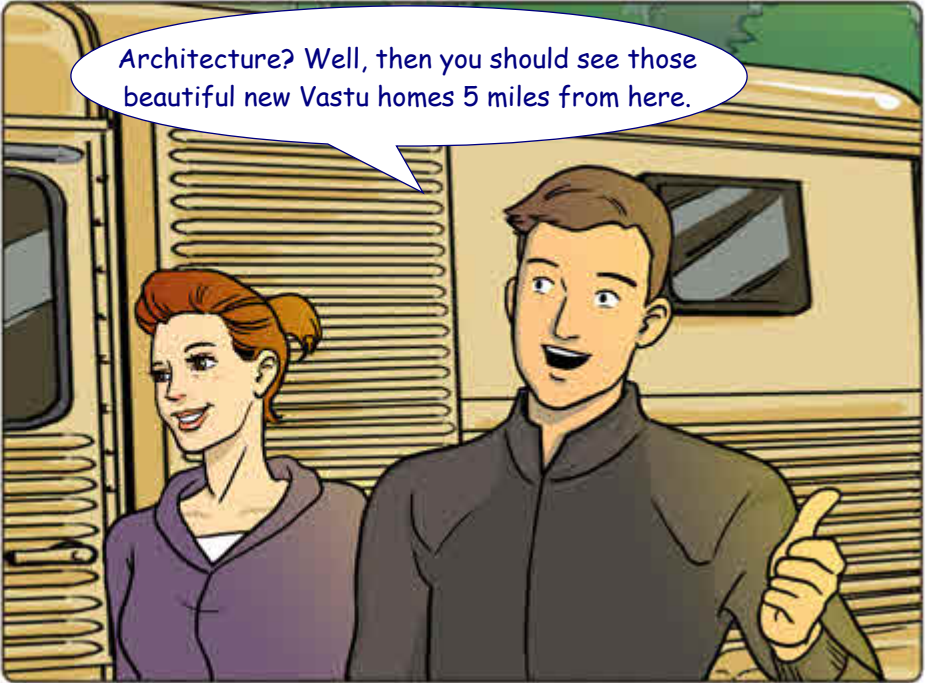

Good morning!  
How are you?

Thanks.  
I am fine.

A young man with brown hair, wearing a blue hoodie over an orange shirt, is smiling. He is standing in a campsite with a green tent behind him and several white campers in the background. A speech bubble is positioned above his head.

I am happy to relax a few days out here. I am a student of architecture.

A man and a woman are standing in front of a yellow building with horizontal blinds. The man, on the right, is wearing a dark grey jacket and pointing upwards with his right hand. The woman, on the left, has red hair in a bun and is wearing a purple hoodie. A speech bubble is positioned above the man's head.

Architecture? Well, then you should see those beautiful new Vastu homes 5 miles from here.

Vastu?

Yes - Vedic architecture.  
Houses built in tune with  
Natural Law - that's how  
they phrase it.

Well, then I have  
to see them ... on  
my way back.

Some time later ...
